PHOTO ALBUMS

EXACOMPTA

EXPORT

"A photo album is a treasure chest, a robust and eye-catching coffer which protects and preserves these precious items, testimony to the joys of life and happiness gone by."

Rudolph Koelher, founder of the Exacompta photo album factory (1898)

Exacompta Albums: quality and choice

Since 1898, these German-made albums have been designed and manufactured by specialists to exacting quality standards and are renowned throughout Europe.
Exacompta offers an extensive range of styles for its photo album covers. From neo-classical to ultra-modern, Exacompta's catalogue includes over 30 collections for your memories and a vast choice of theme albums for weddings and children, for example.
There is also a wide variety of formats, including book albums, spiral-bound albums, screw-bound albums, slip-in albums, the Photoclair©, a patented system exclusive to Exacompta, Protectclair albums, etc.

AS the only European filing and stationery goods manufacturer that also produces its own paper, Exacompta Clairefontaine ensures its sustainable development policy is actively applied.

- Photo album collection Scotten – Nature Future® , for all new paper and pressboard fibre products, is manufactured from 100% pure pulp which originates from sustainable managed forests. The PEFC certification is your guarantee of quality and sustainability.

- Forever® Collection is made of 100% recycled paper and board and has obtained the Blue Angel certification, a stringent quality label which requires sustainable waste management and compliance with both environmental and health & safety criteria.

Safeguard the future together with Exacompta...

LIVRES D'OR
"Un album de photographies c'est une malle au trésor, un coffre solide et beau qui protège et conserve intacts ces biens précieux que sont les témoignages instantanés des joies de la vie et des bonheurs enfuis."
Rudolph Koelher, fondateur de l'usine d'albums photos d'Exacompta (1898)
